### Affiliate Scheme – Registration Form.

Dear Sirs,

I would like to register as an affiliate in order to earn commission from issuing insurance proposal forms.

I understand that I am not allowed to offer insurance advice and that all completed proposal forms are to be sent or faxed directly to First Aid Insurance at the address above.

For each accepted proposal application, I understand that a commission fee of between 5% and 10% of the initial policy value will be paid. Policy tracking will be by issuing each affiliate a unique identification number which will be entered by the affiliate on all proposal forms.
